# Building Futures, Honoring Traditions

The Red Arrow JV was formed to bring together the experience, resources and reputation of two minority contractors that have been in business collectively for more than 80 years. The joint venture partners, Red Lake Construction, LLC. and Arrow Indian Contractors, Inc., were both founded with a commitment to excellence and a vision to create sustainable opportunities for our Native American communities and people.

With a commitment to respect, integrity, service and excellence, we look forward to working with you to bring your project to life.

## ABOUT THE JV PARTNERS

### RED LAKE CONSTRUCTION, LLC.

Red Lake Construction, LLC is a tribally-owned, SBA 8(a) certified Small Disadvantaged Business specializing in general construction services. Our tribe's construction journey began nearly 50 years ago with a commitment to excellence and a vision to create sustainable, innovative, and enduring spaces for businesses and communities alike. Over the years, we have grown, evolved, and adapted to the ever-changing landscape of the construction industry, but our core values remain unwavering. As a proud member of the Red Lake Inc. family, we draw upon the collective support and knowledge of our sister companies, Red Lake Builders and Earthworks Technology, both of which are graduated SBA 8(a) construction firms & have numerous current contracts. Together we offer a comprehensive suite of construction services with a commitment to excellence, integrity, and community.

### ARROW INDIAN CONTRACTORS, INC

Founded in 1992, Arrow Indian Contractors, Inc. is an Economically Disadvantaged Woman Owned Small Business and recent 8(a) program graduate specializing in vertical and civil construction projects for the Federal Government and on Native American land.

For Arrow Indian Contractors, the American Southwest will always have a special place in our hearts. It's the place we built our business, grew our families, partnered with the community, and established our legacy. Over the years, Arrow Indian Contractors has dotted the Southwest with a variety of vertical construction and civil construction projects. We've helped build the Southwest for more than a quarter century, and in turn, the Southwest has made us who we are today - a superior Native American-founded and Woman Owned construction company.
